Promoting a Positive Experience for Citizens and Visitors to our City Parks

What is a Parks Ambassador?

Anyone who is using the parks can become an Ambassador. Individuals that like hiking, biking, and value a clean park and trails system are excellent candidates. Volunteers are critical to ensure that facilities and natural resources in parks and trails are maintained at the highest level.

The Parks Ambassador program is an all-volunteer program that gives the public an opportunity to promote community stewardship and bridge the communication between the community and our Departments. The Park Ambassador program sends a message that the community cares about its parks.

As representatives of the Puyallup Parks and Recreation Department, Parks Ambassadors exemplify the parks rules and regulations and set an example for park visitors and guests.

Ambassadors assist Parks and Recreation, the Police Department and the Fire Department to provide safe and enjoyable parks monitoring park activities, assisting visitors with directions, parking, park rules and basic first aid to promote and ensure positive experiences while using City Parks and Trails.

How do I become a Parks Ambassador?

All volunteers must be ages 21 or older; provide a basic first aid certificate; fill out a full applicant questionnaire; undergo a background check; and have a face to face interview with Parks Ambassador Supervisors. Parks Ambassadors are encouraged to work as many hours as they would like. Ambassadors will email program supervisors with reports and/or concerns.

Applicants are required to attend a volunteer orientation and safety training prior to becoming a Parks Ambassador. Ambassadors may be asked to attend follow-up training or community updates as needed.

Inspire your friends, motivate your community — and spread the word that life's better outside!

Consider joining our Parks Ambassador Team! Your contribution of time and energy will help us to protect our wonderful green spaces and you'll go home with a sense of pride at having participated in something worthwhile.

Puyallup City Parks are YOUR parks! If you use them, why not help maintain them, help create a welcoming and friendly environment for your fellow citizens and be extra 'eyes and ears' for City staff to ensure a safe visit for everyone.

**WE NEED YOU TO BECOME
A PARKS AMBASSADOR!**
