

## Reminder Millions of Americans who don't usually file a tax return can use the **Non-Filers tool** until Oct. 15 to receive their **Economic Impact Payment**.

The free **Non-Filers tool** is designed for eligible people who aren't normally required to file a tax return. Usually, this means people with incomes:

- › Below \$24,400 for married couples who would file jointly
- › Below \$12,200 for singles

This includes couples and individuals who are experiencing homelessness, low-income workers, people with no income, non-dependent students, the unbanked and others. People can qualify for a payment even if they do not have earned income or work.

Usually, married couples filing jointly qualify to receive a \$2,400 payment while others normally qualify to receive \$1,200. Eligible individuals will receive up to an additional \$500 for each qualifying child.

### How do I use the **Non-Filers: Enter Payment Info Here tool**?

For those who are not required to file a tax return, the process is simple and only takes a few minutes.

- › First, visit [IRS.gov](http://IRS.gov), and click "**Non-Filers: Enter Payment Info Here.**"
- › Then provide basic information including Social Security number, name, a mailing address where you can receive the payment and confirmation letter and information about qualifying children. Individuals must have a work eligible Social Security number.
- › The IRS will use this information to confirm eligibility, calculate and send an Economic Impact Payment. No tax will be due as a result of receiving the payment.
- › Entering bank or financial account information will allow the IRS to quickly deposit the payment directly in a savings or checking account. Otherwise, the payment will be mailed.

**Non-Filers: Enter Payment Info Here** is secure and the information entered will be safe. The tool is based on Free File Fillable Forms.

**Do not use the Non-Filers tool** if you have or plan to file a 2019 tax return, can be claimed as a dependent on someone else's 2019 tax return or received Railroad Retirement, Social Security retirement, disability (SSDI), Supplemental Security Income (SSI) or Veterans benefits in 2019.
